Our Showroom Is Open!

Local Showroom

11 Shingiss St. McKees Rocks, PA 15136

On May 15, 2026, Reed Building Supply reached an exciting milestone with the opening of our new residential showroom. This expansion marks a significant step in our continued growth, allowing us to better serve homeowners, builders, remodelers, and contractors with an enhanced shopping experience and a wide selection of quality building materials.

Project Spotlight: East End Apartments

Built by Franjo Construction for TWG

Reed Building Supply is proud to be currently supplying the complete lumber package for this project. Our scope includes the engineered floor and roof system, loose wall framing, floor and roof sheathing, all Simpson hardware, the Tyvek building envelope, and exterior deck framing. Through dependable deliveries and close coordination with the project team, we continue to help keep construction moving efficiently. Check out the photos to see the project's progress, along with one of our deliveries helping keep the build on schedule.

Employee Spotlight

Meet Our New Commercial Roofing Representative
Mark Dobrowsky!

Mark joined the Reed Building Supply team in June. After a successful career in trucking, he returned to his roots in the construction industry, where he built experience in installation, project management, and sales. We're excited to have Mark's knowledge and expertise as part of our growing Commercial Roofing Division.

We partnered with Armina Stone!

We are happy to announce that we have partnered with Armina Stone!

This partnership expands our selection of premium stone surfaces for kitchens, bathrooms, fireplaces, outdoor living spaces, and more, while providing an all-inclusive experience from design to installation.

Stop by our showroom and see our new offerings. We are open **Monday through Friday 7am-4pm.**
